

ZANZIBAR

A woman wearing a blue dress and an orange shawl is walking away from the camera on a sandy beach. She is facing the turquoise ocean under a cloudy sky. The beach is wide and sandy, with some small debris scattered on it. The ocean is calm with gentle waves lapping at the shore.

STONE TOWN TOUR CITY

- HALF DAY -

Zanzibar capital, Unesco World Heritage site from 2000, as well as birthday of Freddy Mercury whose house museum can be visited. Tour will make you relive the century old history of development, occupation, trade influenced by various population that have followed one another over the centuries. It will be a mix of smells, flavors, noises and colours through the narrow alleys of monumental Stone Town city. Famous carved doors, mosques, Persian baths, Darajani market....and finally the famous Forodhani Gardens.

PRISON ISLAND

- HALF DAY -

30 minutes by boat from Stone Town can admire the beautiful white beach of Prison Island with crystal clear water and really interesting past.

The island was the quarantine area of people with yellow fever and slaves leaving for America. It is also the paradise of giant aldabra turtles brought from Seychelles island and gifts to the princess.

You can also snorkel in the coral reef and relax in the warm sun.

MNEMBA SNORKELING

- ALL DAY -

Starting by boat from east coast of Zanzibar you will arrive at marine park of Mnemba.

Interesting to know that one of owner of this island was Bill Gates. With right equipment you can dive in the crystal clear waters of snorkelling and admire a large population of fish including moray, eels, puffer fish, clown fish, razzle, dolphins....

Nakupenda Island

- ALL DAY -

Neverland, it only surface during low tides. In swahili it means "I LOVE YOU". It can be reached from Stone Town in a few minutes by boat. You will be fascinated by the white beach, the crystal clear water, the shells, the corals You can snorkel and admire the seabed, relax in the sun on the coral sun and taste freshly caught fish.

DOLPHINS TOUR

- HALF DAY -

The best place to spot dolphins is the protected marine park, located in the far south of zanzibar, opposite the fish village of kizimkazi.

In the base and worm waters you can admire dolphins and humpback whales, socializing, feeding, feeding the little ones and resting.

Being a protected ecosystem, the fishermen who will accompany you, are educated to respect the environment.

SAFARI BLUE

- ALL DAY -

Starting from the village of Fumba, in the south of the island of Zanzibar, you will arrive at Menay Bay, marine reserve where you can snorkel in the coral reef. You will reach a strip of sand in the middle of ocean where you will relax and swim, while our staff will prepare you a delicious seafood lunch, accompanied with fresh fruits. Compatibly with the tides, you will visit the Mangrove, a fundamental part of the island's ecosystem.

A red colobus monkey is perched on a thick, brown tree branch. The monkey has a black face, a white chest, and a reddish-brown back. It is looking towards the camera with a slight smile. The background is a dense, vibrant green forest with many leaves and branches.

JOZANI FOREST

- HALF DAY -

In the heart of island of Zanzibar there is Jozani Forest, a lush tropical forest where you can admire the famous red colobus monkey, protected because in extinction, the dwarf antelope, the wild pig, and if you are lucky, the Zanzibar leopard.

The flora is mainly composed of mangroves, eucalyptus, palms and evergreen sumac.

BUTTERFLY FOREST

- HALF DAY -

A short distance from Jozani Forest there is one of the largest butterfly parks of East Africa. An immense garden enclosed by nets where you can see the phases of life cycle of moths, including the cocoons.

You will experience the thrill of keeping on the palm of hand dozen of beautiful colourful butterflies.

SPICE TOUR

- HALF DAY -

The tour consist of a walk inside an organic farm, where you will be able to see how spices, herbs and fruits grow and are cultivated. Will smell and taste spices, herbs, tropical fruits such as cloves, lemongrass, nutmeg, cinnamon, turmeric, vanilla, coconut, papaya, chilli pepper, black pepper, jackfruit, cardamom, cassava and oranges. After the tour you will enjoy a traditional swhaili lunch at the farm and if you want you will buy spices.

FISHING

- ALL DAY -

Extreme fishing day i the warm waters of the Indian ocean with altura fishing boat. You can fish the big predators of these waters: marlin, wow, tuna, barracuda and many others...
